Monday Nov 3<sup>rd</sup> would be better for us, since we have a State Board meeting on Nov 4<sup>th</sup>.

Hi Everyone,

At our meeting last week, we agreed to get together in person for EPA and the Water Board to provide feedback on an example/test case exemption package that DOGGR would be providing at the end of this week. I believe our proposed date and time for this in-person meeting was Oct 31<sup>st</sup> at 1pm. Although we did not specify location, I'm now wondering if traveling on Halloween/Friday afternoon will be a good idea regardless of location. Is it not workable for folks to meet in the morning on Oct 31<sup>st</sup>, preferably in SF? And if not, would it be possible to push this meeting out to Monday/Tuesday of the following week (Nov. 3<sup>rd</sup> or 4<sup>th</sup>)? Let me know.

Thanks,

David
